October 11, 2011

Dear Patient,

You might receive a letter from your insurance companies stating that our doctors will no longer be contracted as of November 1, 2011.

The reason for this is because our doctors at Tampa Bay E.N.T. will be a division of Select Physicians Alliance.

Select Physicians Alliance is a group of highly skilled and caring physicians who provide otolaryngology and related services throughout the Tampa Bay area.

We are very confident that your ENT needs will continue without any interruption. In fact, most insurance companies are already in place with Select Physicians Alliance.

We look forward to continue our doctor-patient relationship with you and your family. We are here to assist you with any questions or concerns.

Regards,
Tampa Bay E.N.T.
